It is the applicant’s responsibility to notify high schools and colleges to forward the requested information directly to the Schools by the appropriate deadline.

FOR APPLICANTS WITH TRANSCRIPTS FROM SCHOOLS OUTSIDE THE UNITED STATES
Applicants with educational credentials from schools outside the United States must first have their transcripts translated and evaluated. Contact the National Association of Credential Evaluation Services, www.naces.org, for a list of accredited members. Allow ample time for processing by the deadline. The Schools are not affiliated with any accrediting agency. If you
would like to receive credit for specific courses that you have completed, this evaluation must be done on a course-by-course basis. The evaluation must also include verification of high school graduation.

Each program requires one complete letter of reference (A reference form and a letter of reference). Make sure you complete your section of the reference form. The individual completing the reference form must also sign the form; they must also write a letter of reference.

- High school seniors, or those who have graduated from high school within the last year, must include a complete letter of reference from a guidance counselor, teacher or high school administrator.
- LPN graduates must include a complete letter of reference from a faculty instructor of their LPN program (not required if they graduated more than five years ago).
- Applicants, who have previously attended another nursing school within the last five years, must submit a complete letter of reference from a faculty instructor.
- All other applicants must obtain a complete reference from an employer, supervisor, previous college instructor or any other non-family professional contact who can address character and academic abilities. References from friends and family members are NOT acceptable.

All Hackensack Meridian Health JFK Muhlenberg Snyder School applicants are required to satisfy the appropriate Entrance Test requirements for their program of interest. The Entrance Test evaluates areas that are considered essential for academic success: Entrance Exam – ATI TEAS Information. For Fall 2020 applications, see the Admissions COVID-19 Impact FAQs.

Applications may be personally delivered to the Schools.

- If you are not a U.S. Citizen, you must bring your application in person to the Schools’ Administrative Office. You will be required to show your Permanent Resident Card and/or Naturalization paper at that time. Permanent Residency is a requirement for school entrance consideration.

The applicant must select one of the essay topics listed below and write an essay of 250 words or more.

1. Please tell why you would like to become a nurse or medical imaging technologist (specify discipline). Describe some of the experiences that have influence your decision.
2. If you were able to spend the day with a famous individual, real or fictional, whom would you pick and why?
3. If you were to write your autobiography, what might it say on page 200?

If applicable, a personal statement is recommended:

- If you have multiple repeats in any of the required general education courses.
- If you have previously failed a Nursing course. Also include a plan explaining what you will do differently at the JFK Muhlenberg School of Nursing.

Read, sign and return the appropriate Consumer Information Sheet.

Please complete the survey asking how you heard about the Schools.

It is the applicant’s responsibility to submit, or directly forward to the Schools, all the requested information by the appropriate deadline. Incomplete applications will not be considered.
