

PROGRAM OUTCOMES - NURSING

***Outcome 1: Program Completion Rate**

All students complete the program in 150% of the program length as follows:

	Length of Track	150% Completion Rate
Generic Track	5 semesters	7 semesters
Accelerated Track LPN to RN Track	3 semesters	4 semesters
Pathways to BSN Track	5 semesters	7 semesters

***Program Outcome 2: Senior Program Evaluation**

90% of the seniors surveyed (Senior Program Evaluation) will rate their preparation to achieve student learning outcomes at a 3 or above on a Likert Scale of 1-5, 5 being the highest.

***Program Outcome 3: NCLEX Pass Rate**

The School of Nursing will maintain a pass rate at or above the national average on the NCLEX- RN examination.

***Program Outcomes 4: Positions in Nursing Within One Year**

80% of the graduates who passed NCLEX-RN will attain positions in nursing within one year from the time of graduation.

Program Outcome 5: Upper Division Enrollment

20% of the graduates who pass NCLEX-RN will enroll in an upper division program (BSN) (MSN) (three-year survey).

Program Outcome 6: Accreditation

Maintain accreditation from the New Jersey Board of Nursing

Maintain accreditation from the Accreditation Commission for Education in Nursing
